

WeldSense™

from Associated Equipment Corp.

74 SERIES AMBIENT AIR CLEANER

The Ace 74 Series Ambient Air Cleaner is powerful and effective. Used to generally clean and recirculate the air in shops of all sizes, this product has a home in metalworking, woodworking, automotive paint and body, and vocational training facilities. The Ace ambient air cleaner is also a valuable supplement to weld fume source capture systems.

Contact your Ace dealer for application and installation information.
